Subject: Re: People still camping in wash at Clybourne and Foothill

Hello, [REDACTED] I cannot tell from this picture (it is too zoomed in) where exactly the encampment is located. Can you send more specifics on the exact location of the encampment? (ie is it under the 210 freeway there, or actually on County property down in the Little Tujunga wash? This will help us know who to report it to for cleaning and enforcement.) Thank you.

Hi All,
I hope your day is going well. I took this picture Monday. When we had the clean up at Clybourne and Foothill these people remained and are still there. It seems they will need a continual reminder that they cannot stay, litter, and possibly start a fire when they cook.
I appreciate your help with this and know you will continue till be the champions of our community.
